1. Forwarded for Headquarters retention are 70 volumes (5 packages) of the photographic take of LIONION from late 1961 through December 1968. Since the Station is trying to reduce its volume of hard copy records, it is requested that Headquarters retire these volumes to the Records Center so that in case a need arises, they can be reviewed by Headquarters. The Station suggests that a retention period of 10 years from the date of information may be desirable.

2. The above volumes are being forwarded Headquarters via the IURADIAL flight of 19 August 1969.
